Attorney General Coffman, et al.,

We are writing in regards to the business practices of RV Horizons Inc, and its affiliates, headquartered in Cedaredge, CO.

RV Horizons owns and operates manufactured home communities across the country. Residents of the communities they own and operate have expressed concerns with their business practices. Residents of RV Horizons communities in IL are currently filing complaints against the company with their State Attorney General.

As manufactured home owners and residents of RV Horizons Inc. communities across the country we are asking you, as State Attorney Generals of our states of residence, as well as the Attorney General of CO, their state of incorporation, to thoroughly review their business practices.

Sincerely,
